

**Itma 2015 presentation from the T-Rex in Milano from 12 until 19 November
Hall No. 03 - Booth No. F 118 a**

We are pleased to advise you that **Luescher - Tschudi GmbH**,
www.luescher-tschudi.com
will be present at our booth during the coming ITMA 2015 show in Milan, Italy.

**The next ITMA 2015 exhibition will be held from 12 until 19 November, 2015
in the new exhibition place at the FIERA MILANO RHO.**

We will be in Hall No. 03 - Booth No. F 118 a

The ITMA opening hours are as following:

- **From 12 until 18 November, 2015 - from 10:00 a.m. until 19:00 p.m.**
- **On 19 November, 2015 - from 10:00 a.m. until 16:00 p.m.**

More helpful informations regarding that exhibition can be found on: www.itma.com

As a world premiere, we will show to our international visitors the latest generation of the large format and roll-to-roll digital printing machine type **Luescher-Tschudi T-REX 320**. <https://www.youtube.com/watch?v=BppvCO7KIJA>

Please take this opportunity, in Milano, for an intensive technical and commercial discussion with our board of directors, to learn and see more about this most modern and fast running digital printing machine.

We will be happy to welcome you at our booth and we wish you a very save journey.

See you soon in Hall No. 03 - Booth No. F 118a !

Yours sincerely,

Thomas Schweizer
